

ADAMS COUNTY MEDICAL FOUNDATION, INC.

Newsletter May 2023

Vision:

Inspiring a culture of giving for the health of our community.

Mission:

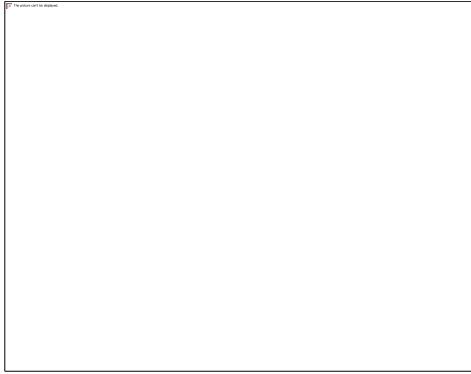

The mission of the Foundation is to provide support to the Adams County Regional Medical Center and community-based health-related endeavors to ensure premium health care programs and service availability to the residents of the Adams County region

ACMF Donates Funds for ACRMC Emergency Department

Your investment dollars are at work! I am pleased to share that the Foundation donated nearly \$22,000 for new ACRMC Emergency Department (ED) equipment. This equipment will help provide you with state-of-the-art care. Equipment purchased includes a C2DxSTIC pressure monitor; Mindray Ultrasonic Probe, Needle Magnetizer Navigation software, and bladder scanner. Your support of the Foundation's Gala made this gift to the ED possible. Dr. Matt Armstrong, ED Director, stated "I would like to thank the Foundation for their generosity in supporting the Bruce Ashley M.D. Emergency Care Center and its staff. The equipment purchased will elevate even further the emergency care provided to the citizens of Adams County and the surrounding area. When compassionate, competent staff is equally matched with state of the art equipment, the result is excellent patient care."

Community Health Screenings

ACRMC offers you low-cost blood screenings during the month of June. The comprehensive health screening package, priced at just \$35, includes an extensive blood analysis. This analysis encompasses glucose, BUN, creatinine, albumin, sodium, potassium, chloride, carbon dioxide, calcium, total protein, total bilirubin, ALT, AST, alkaline phosphatase, cholesterol, triglycerides, LDL, HDL, TSH, CBD, and HgbA1C. As part of the screening options, additional tests such as PSA (prostate-specific antigen) and TST (testosterone) are available for only \$12 each. A flyer identifying all the testing locations is attached for your convenience. No appointment is needed.

ACMF Provides Lunch for Hospital Week

ACRMC Employees enjoyed a pizza lunch/dinner during hospital week and were entered into drawings for gift cards and a James D. Werline print. ACMF showed its appreciation to the hospital employees for their generous support of the foundation through their payroll deduction gifts. I, along with several Foundation Board members, enjoyed the day interacting with the employees. Thank you ACRMC staff!

Annual Gala Sponsorships

Please consider making an investment in Adams County. You can partner with the Adams County Medical Foundation by sponsoring our annual Gala, to be held on Friday, October 6, at the Willow Event Center. It is a great way to help support quality patient care programs, assist with the purchase of state-of-the-art equipment, build our future workforce through academic scholarships, and assure a quality healthcare system at ACRMC. For as little as \$500 you can be a silver sponsor; however, any amount you want to give will help. The Gala Sponsorship form is attached. Thank you for considering partnering with the Foundation!

Adams County Health & Wellness Coalition Paddlefest

Come out and enjoy the beauty of Adams County! The Adams County Health & Wellness Coalition's annual Paddlefest will be held on Saturday, June 24. Free shuttle starting at 8:00 a.m. until 9:30 a.m. The launch begins at 10:00 a.m. from SR 125 & 348 Bridge. This is a timed paddle ending at 2:00 p.m. The registration form for the event is attached.
